Dear Mr. Chapman:

On behalf of the City of Chicago Department of Public Health ("CDPH" or "the Department"), I am responding to your Freedom of Information Act ("FOIA") request, received on July 1, 2019, seeking the following:

***Pursuant to the Illinois Freedom of Information Act., I hereby request the following records:***

***A copy of all intergovernmental agreements.***

***An example of an intergovernmental agreement is:***

***[https://www.chicago.gov/content/dam/city/depts/dcd/tif/T\\_014\\_CTACentralLoopIGA.pdf](https://www.chicago.gov/content/dam/city/depts/dcd/tif/T_014_CTACentralLoopIGA.pdf)***

***The requested documents will be made available to the general public, and this request is not being made for commercial purposes.***

***In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.***

The FOIA provides in 5 ILCS 140/3(g) that requests for all records falling within a category shall be complied with unless compliance with the request would be unduly burdensome for the complying body and there is no way to narrow the request and the burden on the public body outweighs the public interest in the information.

Please be advised that your request is burdensome. Thereby, as your FOIA request is currently written, the dedication of staff and/or resources is unduly burdensome on the daily operations of the Department of Public Health. For this reason, the staff and/or resources necessary for your FOIA request are duly burdensome on the daily operations of the Department of Public Health. It would take a substantial amount of time to review the records.

**Page Two**

Therefore, it is necessary for your request to be narrowed. If you would like assistance in narrowing your request, please contact me and I will assist you. Otherwise, as explained above, we will be unable to respond to your current request.

If you agree to narrow your request, you must submit a revised written request to my attention. The Department of Public Health will take no further action or send you any further correspondence unless and until your current request is narrowed in writing. If we do not receive your narrowed request within fourteen (14) calendar days of the date of this letter, your current request will be denied.

In the event that we do not receive a narrowed request and your current FOIA request is therefore denied, you have the right to have a denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General, 500 S. 2nd Street, Springfield, Illinois 62706, (877) 299-3642. You also have the right to seek judicial review of your denial by filing a lawsuit in Cook County Circuit Court.

If you have any questions, feel free to contact me at (312) 745-0083.

Sincerely,

/s/Monica Hernandez
